

RLH Corporation Recognized as One of America's Best Midsize Employers

April 24, 2019

Company Acknowledged by Forbes as Top Employer of 1,000-5,000 Employees

DENVER, April 24, 2019 (GLOBE NEWSWIRE) -- [RLH Corporation](#) (NYSE:RLH) announced today that Forbes has included the company on this year's list of [America's Best Midsize Employers](#).

In collaboration with analytics firm Statista, Forbes selected America's Best Employers based on an independent survey from a vast sample of more than 50,000 U.S. employees working for companies employing at least 1,000 people in their U.S. operations. The surveys were administered in a series of online panels and provide a representative sample of the U.S. workforce.

All the surveys were anonymous, allowing participants to openly share their opinions. The respondents were asked to rate, on a scale of zero to 10, how likely they'd be to recommend their employer to others. Statista then asked respondents to nominate organizations in industries outside their own. The final midsize list ranks the 500 employers that received the most recommendations.

"We are thrilled to be recognized by Forbes as a top midsize employer in America," said RLH Corporation President & CEO Greg Mount. "Over the last five years we have been extremely focused on not only growing our franchised hotel base, but also embracing a collaborative and innovative culture. RLH Corporation associates work together every day to identify and deliver strategies and tools that will grow the revenues of RLH Corporation branded hotels."
