2012 PROXY STATEMENT

INFORMATION CONCERNING VOTING AND SOLICITATION

General

The enclosed proxy is solicited on behalf of the Board of Directors (the "Board") of Red Lion Hotels Corporation, a Washington corporation, for use at the 2012 Annual Meeting of Shareholders to be held at 9:00 a.m. local time on Wednesday, May 23, 2012, and at any adjournments thereof. The meeting will be held at the Red Lion Hotel at the Park, Skyline Ballroom, 303 West North River Drive, Spokane, Washington 99201. The following are directions to the hotel from Interstate 90 East or West:

Take Exit 281 — Division Street Exit. Follow Division Street north approximately one mile. Cross the Spokane River, turn left at the first light (North River Drive) and drive approximately one block. The hotel is located on the left side of the street.

Proxies are solicited to give all shareholders of record an opportunity to vote on matters properly presented at the meeting. This proxy statement and the accompanying proxy card are first being mailed on or about April 13, 2012 to all shareholders entitled to vote at the meeting.

Who Can Vote

You are entitled to vote at the meeting if you were a holder of record of our common stock, \$.01 par value, at the close of business on March 30, 2012. Your shares may be voted at the meeting only if you are present in person or represented by a valid proxy.

For the ten days prior to the meeting, a list of shareholders entitled to vote at the meeting will be available during ordinary business hours for examination by any shareholder, for any purpose germane to the meeting, at our principal executive office at 201 West North River Drive, Suite 100, Spokane, Washington 99201. This list will also be available at the meeting.

Shares Outstanding and Quorum

At the close of business on March 30, 2012, there were 19,257,898 shares of our common stock outstanding and entitled to vote. A majority of the outstanding shares of our common stock, present in person or represented by proxy, will constitute a quorum at the meeting.

Proxy Card and Revocation of Proxy

You may vote by completing and mailing the enclosed proxy card. If you sign the proxy card but do not specify how you want your shares to be voted, your shares will be voted by the proxy holders named in the enclosed proxy (i) "FOR" election of the four director nominees named below; (ii) "FOR" ratification of the selection of BDO USA, LLP as our independent registered public accounting firm for 2012; and (iii) "FOR" approval, on an advisory basis, of the compensation of our named executive officers. If one or more of the director nominees

[Table of Contents](#)

should become unavailable for election prior to the meeting, an event that currently is not anticipated by the Board, the proxies may be voted in favor of the election of a substitute nominee or nominees proposed by the Board.

The proxy holders named in the enclosed proxy are authorized to vote in their discretion on any other matters that may properly come before the meeting or any adjournments thereof. At the time this proxy statement went to press, management was not aware of any matter that may properly be presented for action at the meeting other than those described in this proxy statement. In addition, no shareholder proposal or director nomination was received on a timely basis, so no such matters may be brought to a vote at the meeting.

If you vote by proxy, you may revoke that proxy at any time before it is voted at the meeting. Shareholders of record may revoke a proxy by delivering a written notice of revocation or a duly executed proxy bearing a later date to our Secretary at our principal executive office at 201 West North River Drive, Suite 100, Spokane, Washington 99201, or by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy. If your shares are held in the name of a broker, bank or other holder of record, you may change your vote by submitting new voting instructions to that holder of record. Please note that if your shares are held of record by a broker, bank or other holder of record and you decide to attend the meeting, you may vote at the meeting only if you present a legal proxy issued in your name from that holder of record.

Voting of Shares

Shareholders of record as of the close of business on March 30, 2012 are entitled to one vote for each share of our common stock held on all matters to be voted upon at the meeting. You may vote by attending the meeting and voting in person or by completing and mailing the enclosed proxy card or the form forwarded by your bank, broker or other holder of record. If your shares are held by a bank, broker or other holder of record, please refer to the instructions they provide for voting your shares. All shares entitled to vote and represented by properly executed proxies that are received before the polls are closed at the meeting and are not revoked or superseded will be voted at the meeting in accordance with the instructions indicated on those proxies. **YOUR VOTE IS IMPORTANT.**

Counting of Votes

All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Shares held by persons attending the meeting but not voting, shares represented by proxies that reflect abstentions on one or more proposals and broker non-votes will be counted as present for purposes of determining a quorum. Abstentions will not count as votes "cast". A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not receive voting instructions from the beneficial owner and does not have discretionary authority to vote the shares without such instructions. The effect of abstentions and broker non-votes on each of the proposals on the agenda for the annual meeting is discussed below in the sections discussing those proposals.

Solicitation of Proxies

We will bear the expense of preparing, printing and distributing proxy materials to our shareholders. We will also furnish copies of the proxy materials to banks, brokers and other holders of record holding in their names shares of our common stock that are beneficially owned by others, so that the proxy materials can be forwarded to those beneficial owners. We will reimburse these banks, brokers and other holders of record for costs incurred in forwarding the proxy materials to the beneficial owners.

PROPOSAL 1
ELECTION OF DIRECTORS

Board Structure

Under our Articles of Incorporation and By-Laws, the Board consists of from three to 13 directors, as determined from time to time by resolution of the Board. The number of directors that currently constitutes the Board is eight.

Prior to last year's annual meeting, the Board was divided into three classes, with two directors in Class A and three directors in each of Class B and Class C. At each annual meeting of shareholders prior to last year, nominees for one of the classes were elected to serve for a three-year term.

At last year's annual meeting, the shareholders approved amendments to our Articles of Incorporation providing for declassification of the Board and eventual annual election of all directors. The declassification is being phased in as follows:

- At last year's annual meeting, Class C was eliminated and the two directors in that class were re-elected for a one-year term expiring at this year's annual meeting.
- At this year's annual meeting, Class A will be eliminated and the three directors in that class, together with the two directors elected for a one-year term at last year's annual meeting, are nominees for re-election to hold office for a term expiring at next year's annual meeting.
- Each director elected by the shareholders at and after next year's annual meeting will hold office for a term expiring at the next annual meeting of shareholders (or at such later time as the director's successor is elected and qualified).

The current directors are as follows:

Class A (two positions with terms expiring in 2012):

Ryland P. "Skip" Davis
Peter F. Stanton

Class B (three positions with terms expiring in 2013):

Donald K. Barbieri
Ronald R. Taylor
Raymond R. Brandstrom

Unclassified (three positions with terms expiring in 2012):

Richard L. Barbieri
Jon E. Eliassen
Melvin L. Keating

Nominees for Director

As the above lists show, there are five of our directors whose terms expire at this year's annual meeting. One of those directors, Peter F. Stanton, notified us on March 24, 2012, that he would be unable to stand for re-election. As a result, he will no longer serve on our Board following the annual meeting. Our Nominating and Corporate Governance Committee did not have sufficient time prior to the mailing of this proxy statement to properly identify, interview, assess and recommend a replacement candidate. Accordingly, the committee decided to recommend only the following four individuals for re-election at the annual meeting for terms expiring at next year's annual meeting of shareholders (or at such later time as their successors are elected and qualified):

Richard L. Barbieri
Ryland P. Davis
Jon E. Eliassen
Melvin L. Keating

[Table of Contents](#)

The Board's resulting decision to nominate only four directors will create a vacancy on our Board, which might remain until next year's annual meeting, be filled by board appointment, or be eliminated by a reduction in the size of the Board.

Voting for Directors

Each share of common stock is entitled to one vote for each of the four nominees and will be given the option to vote "FOR" or "AGAINST" each nominee or to "ABSTAIN." Cumulative voting is not permitted. Unless otherwise directed, it is the intention of the proxy holders named in the enclosed proxy to vote the proxies received by them FOR the election of the four nominees. If any nominee should become unavailable for election prior to the meeting, an event that currently is not anticipated by the Board, the proxies will be voted in favor of the election of a substitute nominee or nominees proposed by the Board or the number of directors may be reduced accordingly. Each nominee has agreed to serve if elected and the Board has no reason to believe that any nominee will be unable to serve.

The four nominees for the Board who receive the greatest number of votes cast in the election of directors by the shares entitled to vote and present in person or by proxy at the meeting will be elected directors. An abstention from voting for a nominee may make it less likely that the nominee will be one of the four nominees who receive the greatest number of votes cast. Brokers do not have discretionary authority to vote in the election of directors. If a broker holding shares for a beneficial owner does not receive instructions from the beneficial owner on how to vote in the election, the broker will submit a non-vote, which also may make it less likely that a nominee will be one of the four nominees who receive the greatest number of votes cast.

Set forth below is biographical information for each nominee and for each director whose term of office will continue after the meeting. Except as disclosed in these biographies, there are no family relationships among any of our directors or among any of our directors and our executive officers.

Director and Director Nominee Qualifications; Diversity

Our Nominating and Corporate Governance Committee assists the Board in reviewing the business and personal background of each of our directors with respect to our company’s business and business goals. The committee generally considers diversity as one of several factors relating to overall composition when making nominations to our Board. While we do not have a formal policy governing how diversity is considered, the committee generally considers diversity by examining the entire Board membership and, when making nominations to our Board, by reviewing the diversity of the entire Board. The committee construes Board diversity broadly to

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected BDO USA, LLP to serve as our independent registered public accounting firm for 2012 and has further directed that this selection be submitted for ratification by our shareholders at the annual meeting. BDO USA, LLP has audited our financial statements since 2001. Representatives of the firm are expected to be present at the meeting, will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions from shareholders. Unless instructed to the contrary, the proxies solicited hereby will be voted for the ratification of the selection of BDO USA, LLP as our independent registered public accounting firm for 2012.

Shareholder ratification of the selection of BDO USA, LLP as our independent registered public accounting firm is not required by our By-Laws or otherwise. However, the Board is submitting the selection of the firm to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different accounting firm at any time during the year if the Audit Committee determines that such a change would be in our best interests and that of our shareholders.

[Table of Contents](#)

Each share of common stock is entitled to one vote on the proposal to ratify the selection of BDO USA, LLP and will be given the option to vote “FOR” or “AGAINST” the proposal or to “ABSTAIN.” Unless otherwise directed, it is the intention of the proxy holders named in the enclosed proxy to vote the proxies received by them FOR this proposal.

Proposal 2 will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal. Abstentions from voting and broker non-votes will have no impact on the outcome of this proposal.

The Board recommends a vote “FOR” ratification of the selection of BDO USA, LLP.

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by Section 14A of the Securities Exchange Act of 1934, the Board is submitting a separate resolution, to be voted on by shareholders in a non-binding vote, to approve on an advisory basis the executive compensation of our named executive officers. The text of the resolution is as follows:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the named executive officers as disclosed in this proxy statement under the captions “Compensation Discussion and Analysis” and “Executive Compensation”.

As described in this proxy statement under Compensation Discussion and Analysis, our compensation program is designed to focus executives on the achievement of specific annual and long-term goals. We structure the goals to align executives’ interests with those of shareholders by rewarding performance that maintains and improves shareholder value.

The following features of the compensation structure reflect this approach:

- Our executive compensation program has both short and long-term components.
- The annual cash incentive component focuses on one or more specific performance goals and allows for discretionary compensation based on performance not otherwise measured by the goals.
- Our total compensation program does not provide for guaranteed cash bonuses.
- Our agreements with executives do not contain guarantees for salary increases, non-performance-based bonuses or equity compensation.

The Board believes that the current executive compensation program properly focuses our executives on the achievement of specific annual, long-term and strategic goals. The Board also believes that this program properly aligns the executives’ interests with those of shareholders.

Shareholders are urged to read the Compensation Disclosure and Analysis section of this proxy statement, which discusses in greater detail how our compensation program advances the specific goals that we set.

Each share of common stock is entitled to one vote on Proposal 3 and will be given the option to vote “FOR” or “AGAINST” the proposal or to “ABSTAIN.” Unless otherwise directed, it is the intention of the proxy holders named in the enclosed proxy to vote the proxies received by them FOR this proposal.

Proposal 3 will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal. Abstentions from voting and broker non-votes will have no impact on the outcome of this proposal.

[Table of Contents](#)

The Board recommends a vote “FOR” the approval, on an advisory basis, of the compensation of the named executive officers.

Although the advisory vote on Proposal 3 is non-binding, we expect that the Board and the Compensation Committee will review the results of the vote and, consistent with our record of shareholder engagement, take the outcome of the vote into consideration, along with other relevant factors, in making determinations concerning future executive compensation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who own more than 10% of our common stock (collectively, "Reporting Persons"), to file reports of ownership and changes in ownership of our common stock with the Securities and Exchange Commission. Based solely on our review of the reports filed by the Reporting Persons, and written representations from certain Reporting Persons that no other reports were required for those persons, we believe that, during the year ended December 31, 2011, the Reporting Persons met all applicable Section 16(a) filing requirements, except that Sandra J. Heffernan, our controller and principal accounting officer, filed one late report on Form 4 disclosing one transaction in our common stock that was not timely reported, and Columbia Pacific Opportunity Fund, LP, a beneficial owner of more than 10% of our common stock, filed five late reports on Form 4 disclosing nine transactions in our common stock that were not timely reported.

CORPORATE GOVERNANCE

Corporate Governance Documents

The Board has adopted the following corporate governance documents:

- Corporate Governance Guidelines;
- Code of Business Conduct and Ethics;
- Accounting and Audit Complaints and Concerns Procedures;
- Statement of Policy with respect to Related Party Transactions; and
- Charters for each of its standing committees, which include the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Copies of each of these corporate governance documents are available online in the Investor Relations section of our website at www.redlion.com.¹ We will provide copies of these documents to any shareholder upon written request to our Secretary at our principal executive office at 201 West North River Drive, Suite 100, Spokane, Washington 99201.

Director Independence

The Board has determined that each of the following six members of the Board is “independent” within the meaning of applicable listing standards of the New York Stock Exchange (the “NYSE”): Richard L. Barbieri, Raymond R. Brandstrom, Ryland P. Davis, Melvin L. Keating, Peter F. Stanton and Ronald R. Taylor. Under the NYSE listing standards, a director is considered “independent” if the Board affirmatively determines that he or she has no material relationship with our company, either directly or as a partner, shareholder or officer of an organization that has a relationship with our company. Our Corporate Governance Guidelines contain categorical standards to assist the Board in making determinations of independence. A copy of these categorical standards is included in Appendix A to this proxy statement. The Board has made an affirmative determination that each of the six directors named above satisfies these categorical standards.

Meetings of the Board of Directors

The Board met eight times in 2011. All directors attended at least 75% of the total number of meetings of the Board and its committees on which they serve.

We encourage all of our directors to attend each annual meeting of shareholders. All of our directors attended our 2011 annual meeting of shareholders.

Executive Sessions of the Board

Following regularly scheduled meetings of the Board, the non-management directors, which consist of the independent directors identified above and Donald K. Barbieri, generally meet in executive session without Mr. Eliassen or other members of management. Donald K. Barbieri, as Chairman of the Board, serves as the presiding director for these executive sessions. In addition, at least once each year, and generally at each quarterly meeting of the Board, the independent directors meet in executive session without any of the non-independent directors or members of management present.

Committees of the Board of Directors

Audit Committee

The Audit Committee engages our independent registered public accounting firm, reviews with the firm the plans and results of the audit engagement, approves the audit and non-audit services provided by the firm, reviews our financial statements, reviews our compliance with laws and regulations, receives and reviews complaints relating to accounting or auditing matters, considers the adequacy of our internal accounting controls, and produces a report for inclusion in our annual proxy statement. The members of the Audit Committee are Peter F. Stanton, Chairman, Raymond R. Brandstrom, Ryland P. Davis and Ronald R. Taylor.

The Board has determined that each member of the Audit Committee is financially literate under the current listing standards of the NYSE. The Board also has determined that each member of the Audit Committee qualifies as an “audit committee financial expert” as defined by applicable rules of the Securities and Exchange Commission. All members of the Audit Committee are considered independent because they satisfy the independence requirements for board members prescribed by the NYSE listing standards, including those set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Compensation Committee

The Compensation Committee discharges the responsibilities of the Board relating to compensation and evaluation of our President and Chief Executive Officer, or CEO, and other executive officers, makes recommendations to the Board regarding the compensation of directors, oversees the administration of our equity incentive plans and produces an annual report on executive compensation for inclusion in our annual proxy statement. The members of the Compensation Committee are Ronald R. Taylor, Chairman, Ryland P. Davis and Peter F. Stanton.

The processes and procedures of the Compensation Committee for considering and determining compensation for our executive officers and directors are as follows:

- Compensation for our executive officers is generally determined annually in February.
- The Compensation Committee reviews director compensation and benefits annually and makes recommendations to the Board with respect thereto.
- With respect to our CEO, during the first calendar quarter of each year, the Compensation Committee generally reviews and approves performance goals for the current year, evaluates his performance in light of the goals established for the prior year, considers competitive market data and establishes his compensation based on this evaluation. As part of the evaluation process, the Compensation Committee Chairman solicits comments from other Board members. Final determinations regarding our CEO’s performance and compensation are made during an executive session of the Compensation Committee and reported to the Board.
- Our Compensation Committee determines compensation for the other executive officers based on the recommendations of our CEO and competitive market data. Final determinations of their compensation are made during an executive session of the Compensation Committee and reported to the Board.
- During 2006, the Compensation Committee directly engaged Towers Perrin, an independent compensation consulting firm, to review total compensation levels for our directors and senior management, including our executive officers. The firm reviewed various sources of available data regarding the compensation practices of hospitality industry and other companies, assessed the competitiveness of our compensation in comparison to that of the other companies, and provided the Compensation Committee with a written report and recommendations.
- During 2008, at the request of the Compensation Committee, Towers Perrin updated the portion of its prior report and recommendations relating to compensation for our executive officers.

[Table of Contents](#)

- The Compensation Committee has no authority to delegate any of the functions described above to any other persons.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the Board for selection or nomination those individuals qualified to become members of the Board under the criteria established by our Corporate Governance Guidelines, periodically reviewing and making recommendations to the Board with regard to size and composition of the Board and its committees, recommending and periodically reviewing for adoption and modification by the Board our Corporate Governance Guidelines and overseeing the evaluation of the Board and management. The members of the Nominating and Corporate Governance Committee are Ryland P. Davis, Chairman, Melvin L. Keating, Peter F. Stanton and Ronald R. Taylor.

Directors may be nominated by the Board or by shareholders in accordance with our By-Laws. The Nominating and Corporate Governance Committee will review all proposed nominees for the Board, including those recommended by shareholders, in accordance with its charter, our By-Laws and our Corporate Governance Guidelines. The committee will review age (a minimum age of 21 is prescribed for directors under the By-Laws), desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of our company and the Board. The committee will generally look for individuals who have displayed high ethical standards, integrity and sound business judgment. This process is designed to ensure that the Board includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business.

While the committee is authorized to retain a third party to assist in the nomination process, we have not paid a fee to any third party to identify or assist in identifying or evaluating potential nominees.

A shareholder of record can nominate a candidate for election to the Board by complying with the procedures in Section 3.3 of our By-Laws. Any shareholder of record who wishes to submit a nomination should review the requirements in the By-Law for nominations by shareholders, which are included in the excerpt from the By-Laws attached as Appendix B to this proxy statement. Any nomination should be sent to our Secretary at our principal executive office, 201 West North River Drive, Suite 100, Spokane, Washington 99201. Any recommendations from shareholders regarding director nominees should be sent to the Nominating and Corporate Governance Committee in care of our Secretary at the same address.

Leadership Structure

We believe it is the CEO's responsibility to lead the company and it is the responsibility of the Chairman of the Board to lead the Board. As directors continue to have more oversight responsibilities than ever before, we believe it is beneficial to have a separate chairman whose sole job is leading the Board. Accordingly, our Corporate Governance Guidelines currently provide that the Chairman of the Board cannot be an officer of the company. The Board retains the authority to modify this structure as and when appropriate to best address our company's unique circumstances and to advance the best interests of all shareholders.

Board's Role in Risk Oversight

The Board's role in overseeing our company's risk is to satisfy itself, directly or through Board committees, that —

- there are adequate processes designed and implemented by management such that risks have been identified and are being managed;
- the risk management processes function as intended to ensure that our company's risks are taken into account in corporate decision making; and

Table of Contents

- the risk management system is designed to ensure that material risks to our company are brought to the attention of the Board or an appropriate committee of the Board.

Each of our company's risk management processes is reviewed periodically (but at least once a year) by either the Board or an appropriate committee. Committee chairs regularly report on committee meetings at the meetings of the full Board.

The Board has reviewed our company's current risk management systems and processes and concluded that the current allocation of oversight responsibilities between the Board and its committees is adequate, so long as the committees continue to coordinate their risk oversight responsibilities, share information appropriately with the other members of the Board, and provide timely and adequate reports to the full Board. The Board will continually evaluate its risk oversight role.

Communications with the Board of Directors

Our annual meeting of shareholders provides an opportunity each year for shareholders to ask questions of, or otherwise communicate directly with, members of the Board on appropriate matters. Shareholders or other interested parties may contact the Chairman of the Board at any time by sending an e-mail to chairman@redlion.com. In addition, shareholders may communicate in writing with any particular director, any committee of the Board, or the directors as a group, by sending a written communication to our Secretary at our principal executive office, 201 West North River Drive, Suite 100, Spokane, Washington 99201. Copies of written communications received at such address will be provided to the Board or the relevant director unless such communications are considered, in the reasonable judgment of our Secretary, to be inappropriate for submission to the intended recipient(s). Examples of shareholder communications that would be considered inappropriate for submission to the Board include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to our business or communications that relate to improper or irrelevant topics. Communications concerning potential director nominees submitted by any of our shareholders will be forwarded to the Chairman of the Nominating and Corporate Governance Committee.

Compensation Committee Report²

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis provided below with management, and based on the review and discussions, recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into our Annual Report on Form 10-K.

Respectfully submitted,

Compensation Committee of the Board of Directors

Ronald R. Taylor, Chairman

Ryland P. Davis

Compensation Committee Interlocks and Insider Participation

Until recently, we had a banking relationship with Washington Trust Bank. One of the members of the Compensation Committee, Peter F. Stanton, is a director and the chief executive officer of this bank. We had the following related party transactions with this bank:

- We had various amounts of cash on deposit and other investments with the bank ranging during 2011 from approximately \$44,000 to \$1,177,000 in the aggregate.
- At the beginning of 2011, the bank held a promissory note secured by commercial real estate in the principal amount of approximately \$704,000. During 2011, we made principal and interest payments on this note of approximately \$724,000. In October 2011, the note matured and was paid in full.

All of our accounts at the bank have now been closed. Mr. Stanton recently notified us that he would be unable to stand for re-election. As a result, he will no longer serve on our Board following the annual meeting.

COMPENSATION DISCUSSION AND ANALYSIS

This section discusses the compensation of our executive officers. Compensation for the executive officers is determined by the Compensation Committee of our Board. The Compensation Committee is composed entirely of independent directors, as defined under NYSE rules, and none of its members is a current or former employee of our company. All decisions of the Compensation Committee are reported to our Board.

There are no material differences in the compensation policies or decisions with respect to the executive officers, except that our compensation for our President and Chief Executive Officer, or CEO, is determined exclusively by the Compensation Committee, while the compensation of the other executive officers is determined by the Compensation Committee based on similar criteria, but also takes into account the recommendations of our CEO.

Compensation Program Objectives and Rewards

We believe that our executive compensation program should:

- Attract, motivate and retain highly qualified executives by paying them competitively, consistent with our success and their contributions to this success; and
- Pay for performance by rewarding and encouraging superior company and individual performance, on both a short- and long-term basis, in a way that promotes alignment with long-term shareholder interests.

All of the compensation and benefits for our executive officers have as a primary purpose our need to attract, retain and motivate the highly talented individuals who will engage in the behaviors necessary to enable us to succeed in our mission while upholding our values in a highly competitive marketplace. Beyond that, different elements are designed to engender different behaviors.

- Base salary and benefits are designed to attract and retain executives over time.
- Annual cash awards under the Executive Officers' Variable Pay Plan ("VPP") are designed to focus executives on one or more specific performance goals established each year by the Compensation Committee. Executive officers may also receive discretionary bonuses based on performance not otherwise measured by the VPP or for other reasons.
- Long-term equity incentives — stock options and restricted stock units ("RSUs") under the shareholder-approved 2006 Stock Incentive Plan — focus executives' efforts on the behaviors within their control that they believe are necessary to ensure our long-term success, as reflected in increases to our stock price over a period of years.
- Severance and change of control arrangements are designed to facilitate our ability to attract and retain executives as we compete for talent in a marketplace where such protections are commonly offered. These arrangements ease an executive's transition due to an unexpected employment termination. In the event of rumored or actual fundamental corporate changes, these arrangements will also allow executives to remain focused on our business interests.

We do not believe that there are any of our compensation policies and practices that are reasonably likely to have a material adverse effect on our company. With respect to our compensation policies and practices for executive officers, we believe that our allocation of overall compensation among base salary and annual and long-term incentives encourages our executive officers to deliver strong results for our shareholders without taking excessive risks. The base salaries of our executive officers provide them assured cash compensation at levels that our Compensation Committee deems appropriate taking into account their respective job duties and responsibilities. We believe these base salaries, taken together with their at-risk annual and long-term incentives, motivate the executive officers to perform at a high level. With respect to annual cash awards under the VPP, we believe that our use of one or more objective company financial performance goals, together with the

[Table of Contents](#)

Compensation Committee's discretion to disqualify an executive officer from receiving an award that might otherwise be payable, serves to mitigate against undue risk-taking. We also believe that our use of multi-year vesting schedules for most of our long-term equity incentives encourages our executive officers to deliver value to our shareholders while mitigating risk.

At last year's annual meeting, we asked our shareholders to approve, on an advisory basis, the 2010 compensation of our named executive officers disclosed in the proxy statement for that meeting. Over 90% of the votes cast on that proposal approved the compensation. Because that vote confirmed shareholder support for our executive compensation policies and decisions, our approach to these policies and decisions in 2011 remained generally consistent with our approach in 2010.

Elements of Our Compensation Program

Base Salaries

The Compensation Committee determines base salaries for the executive officers early each year, based on its assessment of all facts and circumstances that it considers relevant, which typically include most or all of the following factors:

- individual performance;
- job responsibilities;
- tenure with the company as well as prior experience;
- economic conditions;
- retention considerations; and
- the competitive labor market, including regional salary levels and those of executives at other hospitality companies.

In determining the base salaries of executive officers other than the CEO, the Compensation Committee also takes into consideration recommendations made by the CEO.

Jon E. Eliassen, our current CEO, was appointed on an interim basis in January 2010 and became our permanent CEO in February 2011. As permanent CEO, his annual cash base salary remained at \$330,000. In addition, given that he would no longer be separately compensated for his services as a member of the Board, the Compensation Committee determined that he should receive quarterly grants of shares of our common stock worth \$7,125, as well as an annual share grant, as soon as reasonably practical after each annual meeting of our shareholders, worth \$23,750.

During 2011, we hired Julie Shiflett to succeed our previous chief financial officer. The Compensation Committee established her annual base salary at \$250,000, based on its consideration of the factors described above. The Compensation Committee also increased the annual base salary of Harry G. Sladich from \$165,000 to \$200,000, and that of George H. Schweitzer from \$210,000 to \$250,000, based on its determination that they were both below market.

The 2011 annual base salary of Thomas L. McKeirman was \$210,000, only slightly more than the \$209,000 salary level set by the Compensation Committee in 2008 taking into consideration the factors described above.

Our executive officer's nominal base salaries described above have been subject to various reductions over the past several years. During the period from April 1, 2009 to March 31, 2011, the nominal base salaries of all of our executive officers other than Mr. Sladich were reduced by 5% due to the difficult economic environment. During the fourth quarter of 2011, the nominal base salaries of all of our executive officers were reduced by 10%.

[Table of Contents](#)

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), base salaries paid to executive officers are deductible for federal income tax purposes except to the extent that they exceed \$1 million. No executive received base salary in excess of \$1 million in 2011.

VPP and Other Annual Cash Awards

Early each year, the Compensation Committee generally establishes one or more performance goals for each executive officer under the VPP, as well as the various levels of cash awards that each executive will receive based on the extent to which his goals are achieved. Historically, there has been a mix of company and individual performance goals under the VPP. Company goals have generally related to our company's overall financial performance. Individual goals have been subjective or objective, but they have generally been based on performance in areas of our business that the Compensation Committee believed were important to our success. The goals and award levels are initially proposed by the CEO, and the final goals and award levels are determined following a dialogue between the Compensation Committee and the CEO. Award levels are specified as a percentage of base salary. The Compensation Committee determines the award levels that are potentially available under the VPP based on the same factors that it considers in determining base salaries.

In early 2011, the Compensation Committee determined that, for each of the other executive officers, there would be one company goal and no individual goals for 2011. The company goals related to achievement of specified levels of EBITDA. At the same time, award levels were established as set forth in the table below. When Ms. Shiflett was hired later in the year, the Compensation Committee determined that she would be eligible to participate in the VPP as shown in the table.

VPP Award Levels for 2011

	Percentage of Base Salary			Threshold	Award Payouts (\$)		Actual
	Threshold	Target	Maximum		Target	Maximum	
Jon E. Eliassen (1)	30%	60%	100%	96,484	192,968	321,612	0
George H. Schweitzer	15%	30%	100%	34,861	69,722	232,404	0
Julie Shiflett (2)	15%	30%	100%	10,053	20,106	67,019	0
Harry G. Sladich	15%	30%	100%	28,119	56,238	187,462	0
Thomas L. McKeirnan	15%	30%	100%	30,716	61,432	204,772	0

- (1) Mr. Eliassen was appointed as our Interim President and Chief Executive Officer on January 13, 2010. He was named permanent President and Chief Executive Officer on February 8, 2011.
- (2) Ms. Shiflett became an executive officer of the company on September 1, 2011. Her potential award payout has been prorated to reflect her partial year of service in 2011.

The 2011 target for the company goal was EBITDA of \$28.4 million.

Under the VPP, there is an overriding discretionary analysis of each executive's eligibility to receive variable pay. For example, if an executive fails to follow company policy and procedures, exposes the company to legal liability, or exhibits behavior inappropriate for a leadership position, the executive may be disqualified from receiving variable pay, even if his or her specified performance goals are achieved.

There will be no awards under the VPP for 2011.

In addition to awards under the VPP, the Compensation Committee has on occasion granted discretionary bonuses to executive officers based on performance not otherwise measured by the VPP or for other reasons. No discretionary bonuses were granted for 2011.

We generally intend that executive officer compensation be fully deductible for federal income tax purposes, taking into account Section 162(m) of the Code, provided that other compensation objectives are met. We have not sought shareholder approval of the VPP, which would ensure deductibility under the Code, because we anticipate that, for the foreseeable future, no executive officer will have aggregate base salary and annual incentive awards of more than \$1 million during any calendar year.

Long-Term Equity Incentives

We provide long-term incentives to our executive officers in the form of stock options and restricted stock units (“RSUs”), typically with a vesting period of four years. This combination of equity incentives is intended to benefit shareholders by enabling us to better attract and retain top talent in a marketplace where such incentives are prevalent. Both stock options and RSUs closely align our executives with the achievement of our longer-term financial objectives that enhance shareholder value.

The Compensation Committee each year determines the grants of equity incentives that will be made to our executive officers based on the same factors that it considers in determining base salaries. For 2011, in order not to unduly deplete the pool of shares available under our 2006 Stock Incentive Plan, and recognizing the trend at many companies to rely more heavily on RSUs because they provide more stable incentives for executives, the Compensation Committee determined to grant all of that year’s long-term incentives in the form of RSUs. In May 2011 Mr. Eliassen was awarded RSUs with a grant date value equal to 60% of his base salary. The other persons who were then serving as executive officers received RSUs with a grant date value equal to approximately 40% of their respective base salaries. All of these RSUs will vest in equal annual increments over a period of four years from the date of grant. When Ms. Shiflett was hired later in the year, she received RSUs with a grant date value equal to approximately 50% of her base salary, which will vest in full on the first anniversary of the date of grant.

• Stock Options

Stock options provide for financial gain derived from the potential appreciation in stock price from the date that the option is granted until the date that the option is exercised. The exercise price of our stock options is set at fair market value, which is the closing selling price of our common stock on the NYSE on the grant date. The vesting provisions of the stock options we have granted in the past have varied.

Although no stock options were granted to executive officers in 2011, stock options granted to the executive officers in prior years have generally vested in equal annual increments over a period of four years from the date of grant.

Under the shareholder-approved 2006 Stock Incentive Plan, we may not grant stock options at a discount to fair market value or with a so-called “reload” feature, and we may not reduce the exercise price of outstanding stock options except in the case of a stock split or other similar event. We do not lend funds to employees to enable them to exercise stock options.

We do not backdate options or grant options retroactively. In addition, we do not plan to coordinate grants of options so that they are made before announcement of favorable information, or after announcement of unfavorable information. Our options are granted at fair market value on a fixed date or event, with all required approvals obtained in advance of or on the actual grant date. All grants to executive officers require the approval of the Compensation Committee.

Our long-term performance ultimately determines the value of stock options, because gains from stock option exercises are entirely dependent on the long-term appreciation in the price of our common stock. As a result, we believe stock option grants encourage executives and other employees to focus on behaviors and initiatives that should lead to an increase in the price of our common stock, which benefits all our shareholders.

Under Section 162(m) of the Code, we generally may not deduct compensation paid to an executive officer in a calendar year if it exceeds \$1 million. Certain compensation that is considered “performance-based” is deductible without regard to this \$1 million limitation. We believe that any compensation attributable to stock options held by our executive officers will be considered performance-based, so Section 162(m) of the Code should not limit our ability to deduct it for federal income tax purposes.

• **Restricted Stock Units**

RSU grants provide for the issuance of shares of our common stock if the recipient has met certain continued service requirements. Under all of the RSUs granted to our executive officers in 2011, other than the RSUs granted to Ms. Shiflett, an executive will receive one-fourth of the shares subject to his award on each of the first four anniversaries of the date of grant so long as he remains continuously employed with us until the applicable anniversary. Ms. Shiflett will receive all of the shares subject to her RSU award on the first anniversary of the date of grant so long as she remains continuously employed with us until that time.

Unlike stock options, RSUs may have value even if the price of our common stock does not increase. Nevertheless, we award RSUs because they promote retention and we believe they also create incentives for executives to focus on increased share prices so that the common stock subject to the award will be as valuable as possible when it is eventually issued. Although we do not impose any restriction on the sale of common stock issued pursuant to RSUs, we expect that our executives will continue to hold some if not all of the shares issued, which will also keep their interests aligned with those of our shareholders.

Our RSUs do not qualify as performance-based compensation under Section 162(m) of the Code. As a result, the value of common stock ultimately issued to an executive officer pursuant to an RSU will not be deductible to the extent that value in any year, when aggregated with the executive officer's other compensation for that year that is subject to Section 162(m), exceeds \$1 million.

- (1) The vesting of unvested options and restricted stock units is subject to continuous service with us or one of our affiliates through the respective scheduled dates of vesting disclosed in the footnotes to this table. Under certain circumstances, these vesting dates may be accelerated. See — *Employment Agreements; Severance and Change of Control Arrangements*.
- (2) The value of these restricted stock units is calculated by multiplying the number of unvested units by \$6.93, the closing market price of our common stock on December 31, 2011.

2011 Option Exercises and Stock Vested

The following table summarizes the option exercises and vesting of stock awards for each of our named executive officers for the year ended December 31, 2011.

<u>Name</u>	<u>Option Awards</u>		<u>Stock Awards</u>	
	<u>Number of Shares Acquired on Exercise (#)</u>	<u>Value Realized on Exercise (\$)</u>	<u>Number of Shares Acquired on Vesting (#)</u>	<u>Value Realized on Vesting (\$)(1)</u>

Harry G. Sladich	0	0	2,324	18,871
Dan Jackson (2)	0	0	8,400	58,716

- (1) All of these stock awards were restricted stock units. The value of the shares of common stock acquired upon vesting of these units is calculated by multiplying the number of shares by the closing market price of our common stock on the date the units vested.
- (2) Mr. Jackson's employment terminated effective August 31, 2011.

Employment Agreements; Severance and Change of Control Arrangements***President and Chief Executive Officer***

On January 13, 2010, Jon E. Eliassen was appointed as our Interim President and Chief Executive Officer. He was named permanent President and Chief Executive Officer on February 8, 2011. Under an at-will unwritten employment agreement, Mr. Eliassen's current annual base salary is \$330,000. He is also entitled to receive quarterly grants of shares of our common stock worth \$7,125, as well as an annual share grant, as soon as reasonably practical after each annual meeting of our shareholders, worth \$23,750. Mr. Eliassen is not entitled to any severance upon termination of his employment.

Ms. Shiflett

Julie Shiflett was appointed to serve as our Executive Vice President, Chief Financial Officer effective September 1, 2011. We have a written employment agreement with her under which her current annual base salary is \$250,000. If we terminate her without cause, as defined in the agreement, prior to September 1, 2013, then:

- we will accelerate vesting on any portion of any equity grant held by her that would otherwise have vested within twelve months after the date of the termination;
- all restrictions on restricted stock held by her will terminate, and any restricted stock awarded but not yet issued to her will be issued; and
- we will make a lump-sum severance payment to her equal to the cash compensation we paid her during the prior fiscal year (but not less than \$250,000), plus her target award amount under the VPP for the year in which the termination occurs (prorated for the portion of the year elapsed at the time of termination).

If there is a constructive termination of Ms. Shiflett's employment without cause within twelve months after a change of control, then:

- we will accelerate vesting on any portion of any equity grant held by her that would otherwise have vested within twelve months after the date of the termination;
- all restrictions on restricted stock held by her will terminate, and any restricted stock awarded but not yet issued to her will be issued; and
- we will make a lump-sum severance payment to her equal to then current annual salary.

[Table of Contents](#)

The circumstances that constitute “constructive termination” generally relate to: (i) a significant reduction in Ms. Shiflett’s overall scope of duties; (ii) a required relocation more than 40 miles from Spokane, Washington; or (iii) a reduction of more than 20% in her base salary or target bonus.

If (i) a change occurs in the composition of our Board and results in a majority of our Board consisting of persons other than incumbent directors, and (ii) as a further result of that change (A) our company is owned by a non-publicly traded entity such that our common stock is no longer liquid, or (B) our company is owned by a publicly traded entity that has not agreed as part of any purchase and sale agreement to continue Ms. Shiflett’s unvested restricted stock units and stock options in substantially the same form as existed immediately prior to the change, then whether or not her employment terminates, we will accelerate vesting of any restricted stock units she holds.

For purposes of the foregoing, “incumbent directors” means the individuals who were on our Board on March 30, 2012, and any other persons thereafter becoming directors whose election or nomination for election was supported by a majority of the directors who then comprised the incumbent directors.

If there had been a constructive termination of Ms. Shiflett’s employment without cause on December 31, 2011 following a change of control, she would have been entitled to a lump-sum severance payment in the amount of \$250,000. She also would have been entitled to acceleration of her equity awards as described above, the value of which would have been as shown in the *Table of Severance Payments and Benefits* appearing below.

Mr. Sladich

Harry G. Sladich is an at-will employee whose current annual base salary is \$200,000.

Mr. Sladich is generally not entitled to any severance upon termination of his employment. However, if a change of control occurs prior to December 31, 2013, Mr. Sladich will be entitled to receive a severance payment in the amount of \$100,000 if within 365 days following the change of control (i) his position is eliminated, (ii) he is terminated without cause, or (iii) he resigns for “good reason” (payment of the severance is conditioned on his signing a standard separation and release agreement). In addition, if as a result of the change of control (A) our company is owned by a non-publicly traded entity such that our common stock is no longer liquid, or (B) our company is owned by a publicly traded entity that has not agreed as part of any purchase and sale agreement to continue Mr. Sladich’s unvested restricted stock units and stock options in substantially the same form as existed immediately prior to the change, then whether or not his employment terminates:

- we will accelerate vesting of any stock option he holds whose strike price is less than 110% of the market price of our stock at the time of the change; and
- we will accelerate vesting of any restricted stock units he holds.

“Good reason” means a reduction of at least 10% in base salary or a relocation of his primary work place by more than 30 miles.

If Mr. Sladich had been terminated without cause on December 31, 2011 following a change of control, he would have been entitled to a lump-sum severance payment in the amount of \$100,000, and he also would have been entitled to acceleration of his equity awards as described above, the value of which would have been \$116,590.

Messrs. Schweitzer and McKeirnan

We have written employment agreements with George H. Schweitzer and Thomas L. McKeirnan under which their current annual base salaries are \$250,000 and \$210,000, respectively. The following is a summary of the other material terms of these employment agreements:

- **Term of Agreements; Restrictive Covenants**

Mr. McKeirnan will serve in his current position through December 31, 2012, unless his agreement terminates earlier in accordance with its terms. Thereafter, his agreement automatically renews for additional one-year

Table of Contents

periods, unless terminated by either party upon 120-days' notice (a "Non-renewal Notice") prior to the end of 2012 or any later calendar year. The agreement with Mr. Schweitzer will terminate automatically on May 31, 2012, following which we anticipate that he will continue as an at-will employee of our company in his current position and with the same base salary and benefits that he currently receives. Following termination of an agreement for any reason, the executive will generally be prohibited from competing with us for a period of one year or soliciting any of our employees for a period of two years.

• **Annual Bonuses**

If an executive officer attains the target performance measures determined under our VPP for a particular year, he must be eligible, subject to any discretion accorded the Compensation Committee under the terms of the VPP to withhold a bonus otherwise payable, to receive a bonus equal to at least 30% percent of his base salary for that year.

No bonuses will be awarded under the VPP for 2011. The maximum bonuses available under the VPP for 2012, measured as a percentage of base salary, are 100% for each of Messrs. Schweitzer and McKeirnan.

• **Severance Arrangements**

If we deliver a Non-Renewal Notice to Mr. McKeirnan or terminate his agreement without cause, or if he terminates his agreement for good reason within six months following the occurrence of the event that constitutes good reason, then:

- any stock options held by him will immediately vest and be exercisable;
- any stock granted to him will immediately vest, all restrictions on restricted stock held by him will terminate, and any restricted stock awarded but not yet issued to him will be issued;
- we must provide a lump-sum severance payment equal to his cash compensation for the prior year (but not less than his total annual base salary rate), plus the target award amount available under the VPP for the year in which the termination occurs (prorated for the portion of the year elapsed at the time of termination), plus a continuation of all life, health and insurance benefits for a one-year period; and
- to the extent that the foregoing severance payments or benefits received by him are deemed "excess parachute payments" within the meaning of Section 280G(b)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), and thereby result in the imposition upon him of the excise tax imposed by Section 4999 of the Code, we must pay him an additional amount (the "Gross-Up Payment") such that the net amount retained by him, after deduction of (i) any excise tax payable on such excess parachute payments and the Gross-Up Payment, and (ii) any federal, state and local income and employment taxes payable on the Gross-Up Payment, is the same as it would have been if such excise tax had not been imposed.

The circumstances that constitute "good reason" entitling Mr. McKeirnan to severance benefits following a voluntary termination of employment generally relate to: (i) assignment to him of duties materially inconsistent with his positions and responsibilities as described in the agreement; (ii) removing him from such positions; (iii) any material continuing breach of the agreement; and/or (iv) a change in our headquarters office location. However, he will not have good reason unless he gives us written notice that the specified conduct or event has occurred giving rise to his having good reason, and we fail to cure such conduct or event within 30 days after receipt of such notice.

Mr. Schweitzer will be entitled to similar severance benefits if we terminate his employment agreement without cause prior to its scheduled automatic termination on May 31, 2012.

• **Change of Control Arrangements**

If our company undergoes a change of control as defined in the respective employment agreements of Messrs. Schweitzer and McKeirnan, then all of the stock options held by Mr. McKeirnan, and any of the stock options held by Mr. Schweitzer for which the exercise price is not more than 10% higher than the closing market

[Table of Contents](#)

price of our common stock on the date of the change of control, will vest and become exercisable; any stock granted to the executives will immediately vest; all restrictions on restricted stock issued to the executives will terminate; and any restricted stock awarded but not yet issued to the executives will be issued. If a change of control had occurred on December 31, 2011, the value of the acceleration of these equity awards would have been as shown in the *Table of Severance Payments and Benefits* appearing below.

For the period from June 1, 2012 to December 31, 2013, Mr. Schweitzer will have the same change of control arrangement as Mr. Sladich, except that the severance payment to Mr. Schweitzer will be \$250,000 instead of \$100,000.

Table of Severance Payments and Benefits

If the employment of Messrs. Schweitzer and McKeirman and Ms. Shiflett had terminated immediately following the end of our fiscal year ended December 31, 2011 under circumstances entitling them to the severance (but not the change of control) benefits described above, the lump-sum severance payments payable to the executive officers, and the value of the other severance benefits they would have received, would have been as shown in the following table (due to the fact that there would have been no excess parachute payments on the assumed date of termination, no Gross-Up Payments would have been payable with respect to such terminations):

<u>Name</u>	<u>Severance Payment (1)(2)</u>	<u>Accelerated Restricted Stock Units(3)</u>	<u>Life, Health and Insurance Benefits(4)</u>	<u>Total(5)</u>
George H. Schweitzer	\$250,000	\$ 210,658	\$ 15,750	\$476,408
Julie Shiflett	\$250,000	\$ 127,761	\$ 0	\$377,761
Thomas L. McKeirman	\$210,000	\$ 193,201	\$ 15,750	\$418,951

- (1) The severance payment for each of Messrs. Schweitzer and McKeirman and Ms. Shiflett equals his or her total cash compensation for 2011 (but not less than their total annual base salary rate without taking into account any reduction in salaries that was effective in 2011).
- (2) If the termination of employment entitling an executive officer to a severance payment and other severance benefits occurs other than at the beginning of a fiscal year, the executive officer will receive, in addition to the amount set forth in this column, the target award amount available to him or her under the VPP for the year in which the termination occurs (prorated for the portion of the year elapsed at the time of termination). The target award amounts available to the executive officers for 2011 were as follows: Mr. Schweitzer, \$69,722; Mr. McKeirman, \$61,432 and Ms. Shiflett, \$20,106.
- (3) The value of the accelerated restricted stock units is calculated by multiplying the number of unvested units by \$6.93, the closing market price of our common stock on December 31, 2011.
- (4) The value of the continuation of benefits under our self-insured medical, dental and vision plan is estimated based on the average per-employee cost of that plan for various categories of employees in 2011.
- (5) Assumes that no amounts described in footnote 2 to this table are paid in connection with the termination of employment entitling the executive officers to severance payments and other severance benefits.

DIRECTOR COMPENSATION

We pay our Chairman of the Board an annual retainer of \$70,000. We also pay or reimburse him for the cost of his office space and provide coverage to him and his domestic partner under our self-insured medical, dental and vision plan. We pay each of our other non-employee directors an annual retainer of \$30,000. The chair of the Audit Committee receives an additional annual fee of \$20,000. The chairs of each of the Compensation Committee and the Nominating and Corporate Governance Committee receive an additional annual fee of \$15,000. Non-chair members of these committees receive an additional \$5,000 annual fee for each committee on which they serve.

All director fees are payable in advance in equal quarterly installments and are currently paid via shares of our common stock based on the closing market price on the regularly scheduled quarterly payment date.

In addition to annual fees, each non-employee director is entitled to receive, at or following each annual meeting of shareholders, a grant of our common stock valued at \$25,000.

In line with our operating strategy, the directors have accepted since the second quarter of 2009 a 5% reduction in the amount of the fees and stock grants described above.

In addition to the annual fees and stock grants, it is our policy to reimburse directors for their out-of-pocket expenses incurred in connection with their service on the Board and its committees.

The foregoing is a summary of our standard compensation arrangements for our directors, and it is subject to modification at any time.

2011 Director Compensation Table

The following table shows compensation of the non-employee members of our Board for 2011:

- (1) On May 19, 2011, each director named above received a grant of 2,872 unrestricted shares of our common stock. We recognized the full value of these awards as compensation expense in 2011 for financial reporting purposes.
- (2) At December 31, 2011, Messrs. Stanton and Taylor each held options to acquire 1,000 shares of our common stock. At that date, none of our other non-employee directors held options to acquire our common stock.
- (3) Represents \$13,200 that we paid or reimbursed Mr. Barbieri for the cost of his office space during 2011 plus \$11,396 as the estimated value of coverage under our self-insured medical, dental and vision plan.

REPORT OF THE AUDIT COMMITTEE³

The Audit Committee oversees our company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed and discussed the audited financial statements with management.

The committee discussed with BDO USA, LLP the matters required to be discussed by the Statement on Auditing Standards No. 114, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The committee also received the written disclosures and the letter from BDO USA, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the committee concerning independence, and has discussed with BDO USA, LLP the independent accountant's independence.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the Securities and Exchange Commission. The committee and the Board have also recommended, subject to shareholder ratification, the selection of BDO USA, LLP as our independent registered public accounting firm for 2012.

Respectfully submitted,

Audit Committee of the Board of Directors

Peter F. Stanton, Chairman

Raymond R. Brandstrom

Ryland P. Davis

Ronald R. Taylor

- (4) BDO USA, LLP did not bill us for any other professional services rendered during 2011 or 2010, and it did not provide our company during either of those years any professional services described in paragraph (c)(4) of Rule 2-01 of Regulation S-X.

Pre-Approval Policies and Procedures

The Audit Committee is responsible for selecting, setting compensation and overseeing the work of our independent registered public accounting firm. The committee has adopted a policy that requires advance approval of audit, audit-related, tax, and other services (“audit and non-audit services”) performed by the independent registered public accounting firm.

The committee has delegated to its chairman authority to approve permitted services provided that the chairman reports any decisions to the committee at its next regularly scheduled meeting. On an ongoing basis, management communicates specific projects and categories of services for which the advance approval of the committee or chairman is requested. The committee or chairman reviews these requests and advises management if the engagement services of the independent registered public accounting firm are approved. On a periodic basis, management reports to the committee actual spending for audit and non-audit services compared to approved amounts.

Auditor Independence

The Audit Committee has considered whether and determined that the other professional services provided by BDO USA, LLP are compatible with maintaining its independence.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Under our written Statement of Policy with respect to Related Party Transactions, a related party transaction (as defined below) may be consummated or may continue only if the Audit Committee of our Board, or in certain cases the full Board, approves or ratifies the transaction in accordance with the guidelines set forth in the policy. The policy applies to the following related parties:

- our directors;
- any of our executive or other officers who are required by Section 16(a) of the Securities Exchange Act of 1934, as amended, to file reports of ownership and changes in ownership of our common stock with the Securities and Exchange Commission;
- any person who is the beneficial owner of more than 5% of our common stock;
- any immediate family member, as defined in the policy, of any of the foregoing persons; and
- any entity that is owned or controlled in substantial part by any of the foregoing persons.

“Related party transaction” is defined in the policy as a transaction between us and any of the foregoing persons.

Under the policy, the following transactions are deemed to be automatically pre-approved:

- any compensation paid to a related party that has been approved by the Compensation Committee;
- any charitable contribution, grant or endowment by us to a charitable organization, foundation or university at which a related party’s only relationship is as an employee (other than an executive officer) or a director, if the aggregate amount involved does not exceed the lesser of \$50,000 or two percent of the charitable organization’s total annual receipts;
- any transaction where the related party’s interest arises solely from the ownership of our common stock and all holders of our common stock receive the same benefit on a pro rata basis (e.g. dividends);
- any transaction where the related party’s interest arises solely from participation in an employee benefit plan maintained by us for the general benefit of all of our employees; and
- any transaction with a related party involving services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services.

Transactions with Related Parties

Information is set forth below regarding certain related party transactions that occurred during 2011 or that are anticipated to occur during or following 2012. All of such transactions were reviewed and approved or ratified in accordance with our Statement of Policy with respect to Related Party Transactions.

Goodale & Barbieri Company

Goodale & Barbieri Company (“G&B”) was previously a wholly owned subsidiary of ours through which we conducted the management, leasing, brokerage and development portion of our former real estate division. In 2006, Thomas M. Barbieri, the brother of Donald K. Barbieri and Richard L. Barbieri, and another individual acquired G&B from us in a transaction approved by independent directors.

During 2011 we paid G&B approximately \$213,000 for management and leasing of the Kalispell Center and \$13,000 for the management, leasing and development of certain other properties. We expect to pay G&B additional similar fees in the future. We believe that Thomas M. Barbieri owns 90% of G&B, so that the approximated dollar value of his interest in all of these transactions between G&B and us would be 90% of the respective total amounts disclosed.

David Barbieri

David Barbieri serves as our Senior Vice President, Information Technology. He has been with our company since 1996. He was previously a Manufacturing Engineer at Exabyte Corporation in Boulder, Colorado from 1993 to 1996 after graduating from the University of Colorado with a degree in Mechanical Engineering. He is the son of Donald K. Barbieri. The aggregate amount of salary, equity awards and other compensation that we paid David Barbieri for 2011 was \$174,514. His 2012 base salary is \$150,000 and his target bonus opportunity for 2012 is 40% of this salary.

PROPOSALS OF SHAREHOLDERS

Proposals of shareholders to be considered for inclusion in the proxy statement and proxy for our 2013 Annual Meeting of Shareholders must be received by us on or prior to December 14, 2012.

A shareholder of record, who intends to submit a proposal at the 2013 Annual Meeting of Shareholders that is not eligible for inclusion in the proxy statement or proxy, or who intends to submit one or more nominations for directors at the meeting, must provide us prior written notice. Written notice of any such proposal or nominations should be addressed to our Secretary and received at our principal executive office at 201 West North River Drive, Suite 100, Spokane, Washington 99201 not later than December 14, 2012. The written notice must satisfy certain requirements specified in our By-Laws, which are included in the excerpt from the By-Laws attached as Appendix B to this proxy statement. A complete copy of our By-Laws will be sent to any shareholder upon written request to our Secretary.

ANNUAL REPORT ON FORM 10-K

A copy of our Annual Report on Form 10-K for the year ended December 31, 2011 as filed with the Securities and Exchange Commission is being mailed with this proxy statement to each shareholder of record. Shareholders not receiving a copy of such Annual Report may obtain one without charge by writing or calling our Secretary, 201 West North River Drive, Suite 100, Spokane, Washington 99201 ((509) 459-6100).

APPENDIX A

Corporate Governance Guidelines Regarding Director Qualifications

Director Qualification Standards

1. The Nominating and Corporate Governance Committee is responsible for recommending to the Board (1) nominees for Board membership to fill vacancies or newly created positions and (2) the persons to be nominated by the Board for election at our company's annual meeting of shareholders.
2. In connection with the selection and nomination process, the Nominating and Corporate Governance Committee shall review the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of our company and the Board. The Board will generally look for individuals who have displayed high ethical standards, integrity and sound business judgment. This process is designed to ensure that the Board includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to the business of our company.
3. Independent Directors must comprise a majority of the Board.
4. A director will not be an "Independent Director" if any of the following situations set forth in the following categories apply:
 - (a) the director has been an employee of our company, or any of its consolidated subsidiaries, during the last three years, or the director has an Immediate Family Member who is, or who has been during the last 3 years, an executive officer of our company;
 - (b) the director or the director's Immediate Family Member has received more than \$120,000 per year in direct compensation from our company, or any of its consolidated subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service) during any twelve-month period within the last three years;
 - (c) (i) the director is a current partner or employee of a firm that is our company's independent auditor, (ii) the director has an immediate Family Member who is a current partner of such a firm, (iii) the director has an Immediate Family Member who is a current employee of such a firm and personally works on our company's audit, or (iv) the director or an Immediate Family Member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our company's audit within that time;
 - (d) the director or the director's Immediate Family Member is, or during the last three years, has been, part of an interlocking directorate in which a current executive officer of our company, or any of its consolidated subsidiaries, served on the compensation committee of another company that concurrently employed the director (or any of his or her Immediate Family Members) as an executive officer;
 - (e) the director is a current employee, or the director's Immediate Family member is a current executive officer of a company that makes payments to, or receives payments (exclusive of charitable contributions that the Company discloses on its website or in its annual proxy statement) from, our company, or any of its consolidated subsidiaries, for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of the consolidated gross revenues of such other company;
 - (f) the director has a material relationship with our company, or any of its consolidated subsidiaries, either directly or as a partner, shareholder or officer of an organization that has a material relationship with our company, or any of its consolidated subsidiaries. For this purpose, "material relationship" is defined as one in which the person, or an entity of which the director (or the director's Immediate Family Member) is an employee, makes payments to, or receives payments from, our company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other entity's consolidated gross revenues.

Table of Contents

5. In addition to satisfying all of the independence criteria set forth in paragraph 4 of this Section, all members of the Audit Committee must also meet the following requirements:
 - (a) A member of the Audit Committee may not receive consulting, advisory or other compensatory fees from our company, or any of its consolidated subsidiaries, other than in his or her capacity as a member of the Audit Committee, the Board of Directors, or any other committee of the Board (compensatory fees do not include the receipt of fixed amounts under a retirement plan (including deferred compensation) for prior service with our company or any of its consolidated subsidiaries, provided that such compensation is not contingent in any way on continued service).
 - (b) No member of the Audit Committee may be an “affiliated person” of our company, or any of its consolidated subsidiaries, as such term is defined by the Securities and Exchange Commission.
6. The number of boards on which a director may sit may be reviewed on a case-by-case basis by the Board.
7. The Board has not established term limits for directors. Although term limits can promote the inclusion on the Board of people with diverse perspectives, the process described in paragraph 2 of this Section can achieve the same result. Moreover, term limits have the disadvantage of causing our company to lose the contributions of directors who have been able to develop, over a period of time, increasing insight into our company and its operations, thereby increasing their contributions to our company. However, in order to promote both continuity and turnover, and to further the expectation that Board members will be very actively involved in both the affairs of our company and the communities which our company serves, the Board will normally not nominate a person who would be serving on the Board after the age of 75.
8. Each director shall be obligated to notify the Chairman of the Board of our company promptly upon learning of any fact which causes such director not to be considered an Independent Director, as set forth in paragraph 4 above, or if any entity of which such director is an officer or director becomes a competitor of our company. The Nominating and Corporate Governance Committee shall review the situation and make a prompt recommendation to the Board.

APPENDIX B

Provisions of By-Laws Regarding Director Nominations

Section 3.3 Nominations and Qualifications of Directors.

- (1) Nominations of candidates for election as directors at an annual meeting of shareholders may only be made (i) by, or at the direction of, the Board of Directors or (ii) by any shareholder of the Corporation who is entitled to vote at the meeting and who complies with the procedures set forth in the remainder of this Section 3.3.
- (2) If a shareholder proposes to nominate one or more candidates for election as directors at an annual meeting, the shareholder must have given timely notice thereof to the Secretary of the Corporation. To be timely, a shareholder's notice must be delivered to, or mailed and received at, the Principal Office (i) not less than one hundred twenty (120) days prior to the first anniversary of the date that the Corporation's proxy statement was released to shareholders in connection with the previous year's annual meeting; (ii) a reasonable time before the Corporation begins to print and mail its proxy materials if the date of this year's annual meeting has been changed by more than thirty (30) days from the date of the previous year's meeting; or (iii) not more than seven (7) days following the delivery to shareholders of the notice of annual meeting with respect to the current year's annual meeting, if the Corporation did not release a proxy statement to shareholders in connection with the previous year's annual meeting, or if no annual meeting was held during such year.
- (3) A shareholder's notice to the Secretary under Section 3.3(2) shall set forth, as to each person whom the shareholder proposes to nominate for election as a director (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, (iii) the number and class of shares of stock of the Corporation that are beneficially owned on the date of such notice by such person and (iv) if the Corporation at such time has a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), any other information relating to such person required to be disclosed in solicitations of proxies with respect to nominees for election as directors pursuant to Regulation 14A under the Exchange Act, including but not limited to information required to be disclosed by Schedule 14A of Regulation 14A, and any other information that the shareholder would be required to file with the Securities and Exchange Commission in connection with the shareholder's nomination of such person as a candidate for director or the shareholder's opposition to any candidate for director nominated by, or at the direction of, the Board of Directors. In addition to the above information, a shareholder's notice to the Secretary under Section 3.3(2) shall (A) set forth (i) the name and address, as they appear on the Corporation's books, of the shareholder and of any other shareholders that the shareholder knows or anticipates will support any candidate or candidates nominated by the shareholder and (ii) the number and class of shares of stock of the Corporation that are beneficially owned on the date of such notice by the shareholder and by any such other shareholders and (B) be accompanied by a statement in the form of a record, executed and acknowledged by each candidate nominated by the shareholder, that the candidate agrees to be so nominated and to serve as a director of the Corporation if elected at the annual meeting.
- (4) The Board of Directors, or a designated committee thereof, may reject any shareholder's nomination of one or more candidates for election as directors if the nomination is not made pursuant to a shareholder's notice timely given in accordance with the terms of Section 3.3(2). If the Board of Directors, or a designated committee thereof, determines that the information provided in a shareholder's notice does not satisfy the requirements of Section 3.3(3) in any material respect, the Secretary of the Corporation shall notify the shareholder of the deficiency in the notice. The shareholder shall have an opportunity to cure the deficiency by providing additional information to the Secretary within such period of time, not to exceed five (5) days from the date such deficiency notice is given to the shareholder, as the Board of Directors or such committee shall reasonably determine. If the deficiency is not cured within such period, or if the Board of Directors or such committee determines that the additional information provided by the shareholder, together with information previously provided, does not satisfy the requirements of Section 3.3(3) in any material respect, then the Board of Directors or such committee may reject the shareholder's notice.

[Table of Contents](#)

- (5) Notwithstanding the procedures set forth in Section 3.3(4), if a shareholder proposes to nominate one or more candidates for election as directors at an annual meeting, and neither the Board of Directors nor any committee thereof has made a prior determination of whether the shareholder has complied with the procedures set forth in this Section 3.3 in connection with such nomination, then the chairman of the annual meeting shall determine and declare at the annual meeting whether the shareholder has so complied. If the chairman determines that the shareholder has so complied, then the chairman shall so state and ballots shall be provided for use at the meeting with respect to such nomination. If the chairman determines that the shareholder has not so complied, then, unless the chairman, in his or her sole and absolute discretion, determines to waive such compliance, the chairman shall state that the shareholder has not so complied and the defective nomination shall be disregarded.
- (6) All directors of the Corporation shall be at least twenty-one years of age. Directors need not be shareholders or residents of the State of Washington. At each meeting of shareholders for the election of directors at which a quorum is present, the persons receiving a plurality of the votes cast shall be elected directors.
